

How to Reset your Copper Chef Password

1. Click “My Account” on the top right of the page or in the footer at the bottom of the page. This will take you to the next page.
2. Click “Forgot Your Password?”
3. Enter your email address and type in the letters and numbers listed in the Captcha image below.
4. If you have a hard time reading the letters and numbers in the Captcha image, you can click on the “Reload Captcha” button to generate a new image.
5. Once you have entered the code, select the “Reset My Password” button. You will receive an email with a link to set a new password for your Copper Chef account.
6. Click the link in the email and set a new password. Confirm the new password and click the “Set a New Password” button.

If you are still unable to reset your password, please visit this link:
