

## ALWAYS TEST FIRST:

### ALWAYS TEST PRODUCT IN A HIDDEN AREA FIRST

RESTORE4® was formulated for porcelain, fiberglass, ceramic tile, grout and terrazzo. RESTORE4® will effectively penetrate and dissolve hard water stains, rust, calcium buildup, limescale, soap film and dirt. Great for kitchen tile floors and counters, entryways, tile walls and floors, fiberglass tubs, shower pans, porcelain sinks, toilets and tubs as well as brass, copper, stainless steel and chrome. NOTE: it is not recommended to use the RESTORE4® Pads on chrome as it could scratch.

Test RESTORE4® on colored grout in hidden area first, if grout discolors DO NOT USE. Always dilute at least 2:1 (two parts water/ one part RESTORE4®).

DO NOT USE ON wood, paint, vinyl, Formica®, acrylic, marble, granite, aluminum, brass surfaces or porcelain that has been painted or refinished.

## RESTORE4® DIRECTIONS:

Always work in a well-ventilated area. Household gloves are suggested for people with sensitive skin.

**TO USE AS A RESTORER FOR HEAVILY STAINED AREAS:** Use RESTORE4® either full strength or dilute 2:1 (two part water to one part RESTORE4®). If diluting, mix in a plastic bucket. Apply a light coat of RESTORE4® on the surface and let sit for 1-2 minutes. Scrub well and rinse thoroughly with clean water. Wipe with a clean, dry cloth and let dry. When using on thick grout lines use a nylon brush. On thin grout lines use a RESTORE4® Pad. For stubborn stains, apply RESTORE4® Solution again and let sit for up to 10 minutes. Scrub, rinse and dry.

**SURFACES:** Use a maroon RESTORE4® Pad when restoring an OLDER porcelain, fiberglass, ceramic tile, non-sanded (thin) grout lines and terrazzo. Use tan RESTORE4® Pad on newer surfaces. Use nylon brush on sanded (wide) grout lines and rough surfaces. TEST RESTORE4® Pad on a hidden area to ensure that it does not scratch the surface.

**NOTE:** DO NOT ALLOW RESTORE4® To come in contact with any surface it was not designed for. See surfaces above. Use with a sprayer on vertical surfaces. Use with flip top cap on large horizontal surfaces such as tile & grout floors.

## DANGER:

**KEEP OUT OF REACH OF CHILDREN.** If medical advice is needed: have product container or label at hand. Keep only in original container. Causes severe skin burns and eye damage. Do not breathe dust / fumes / gas / mist / vapors / spray. Wash face, hands, and any exposed skin thoroughly after handling. Wear protective gloves / protective clothing / eye protection / face protection.

**FIRST AID: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.
