DELUXE

AIR PURIFIER

User Manual

MODEL: PH20005-00300

**SAVE THESE INSTRUCTIONS.
FOR CONSUMER USE ONLY.**

Featuring:

UV-C Technology:

Eradicates viruses and bacteria by releasing short-wave ultraviolet light into the air that mimics the antimicrobial power of sunlight.

Ionic Extraction:

Releases ionized molecules into the air that attach to airborne pollutants.

HEPA Filter:

Removes 80% of particulates from air passing through the filter.

Safeguards

IMPORTANT SAFETY INSTRUCTIONS

READ AND SAVE THESE SAFETY INSTRUCTIONS BEFORE USING THIS PRODUCT.

When using electrical appliances, basic precautions should always be followed to reduce the risk of fire, electric shock, and injury, including the following:

1. Read all instructions before operating the appliance.
2. Always turn the appliance controls to the OFF position and unplug from the wall outlet when not in use.
3. Do not use the appliance outdoors.
4. Never use the appliance unless it is fully assembled.
5. Do not use the appliance where combustible gases or vapors are present.
6. Do not expose the appliance to rain or use near water, in a bathroom, where laundry is cleaned, or in any other damp location.
7. Do not allow foreign objects to enter the ventilation or exhaust opening because this may cause electric shock or damage to the appliance. Do not block the air outlets or intakes.
8. Do not use an extension cord.
9. This appliance has a polarized plug (one blade is wider than the other). To reduce the risk of shock, this plug is intended to fit only one way in a polarized outlet. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. DO NOT attempt to defeat this safety feature.
10. A loose fit between the AC outlet (receptacle) and plug may cause overheating and a distortion of the plug. Contact a qualified electrician to replace a loose or worn outlet.
11. Disconnect the power supply before servicing the replacement filter.
12. This product complies with the maximum allowable concentration of ozone of 0.050 parts per million by volume (ppmv) in a 24-hour period. The Health Canada Guideline 2010 recommends that the maximum exposure limit, based on an averaging time of 8 hours, is 0.020 ppmv or less when tested in a sealed, controlled room approximately 30 m³.

FCC: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Tristar Products, Inc.,
490 Route 46 East, Fairfield, NJ 07004

SAVE THESE INSTRUCTIONS

WARNING: TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT USE THIS APPLIANCE WITH ANY SOLID-STATE SPEED CONTROL DEVICE.

Directions For Use

1. Plug the appliance into a power outlet.
 2. To turn the appliance on, press the On/Off button. The LED Indicator will illuminate and the appliance will start working.
 3. Press the On/Off Button once for ion (green), twice for UV (purple), or three times for both ion and UV (blue).
 4. To turn the appliance off, press the On/Off button again. The LED Indicator will darken. Always turn the appliance off when not in use.
- NOTE:** Do not use this appliance in a damp environment because a damp environment might shorten the lifespan of the appliance.

This appliance comes with a USB port, which is used for powering the device (USB power adapter not included). The USB port is NOT for charging other devices.

Replacing the Filter

The appliance's filter should be replaced periodically. The filter can be replaced once a month when the appliance is used in an environment with good air quality. The filter should be replaced once a week in an environment with poor air quality.

1. Turn the appliance over so that the back of the appliance is facing you.
2. Pull the filter off of the appliance and discard the filter.
3. Attach the new filter to the back of the appliance.

Maintenance

- Ensure the appliance is switched off and disconnected from the power supply before cleaning the appliance.
- Use a soft, dry towel to clean the air outlet or the surface of the appliance.

90-Day Money-Back Guarantee

The Breathe Pure Deluxe Air Purifier is covered by a 90-day money-back guarantee. If you are not 100% satisfied with your product, return the product and request a replacement product or refund. Proof of purchase is required. Refunds will include the purchase price, less processing and handling. Follow the instructions in the Return Policy below to request a replacement or refund.

Replacement Guarantee Policy

Our products, when purchased from an authorized retailer, include a 1-year replacement guarantee if your product or component part does not perform as expected, the guarantee extends only to the original purchaser and is not transferable. If you experience an issue with one of our products within 1 year of purchase, return the product or the component part for replacement with a functionally equivalent new product or part. The original proof of purchase is required, and you are responsible to pay to return the unit to us. In the event a replacement unit is issued, the guarantee coverage ends six (6) months following the receipt date of the replacement unit or the remainder of the existing guarantee, whichever is later. Tristar reserves the right to replace the unit with one of equal or greater value.

Return Policy

If, for any reason, you would like to replace or return the product under the money-back guarantee, your order number can be used as the return merchandise authorization number (RMA). If the product was purchased in a retail store, return the product to the store or use "RETAIL" as the RMA. Return your product to the address provided below for a replacement, which will incur no additional

processing and handling fees, or for the refund of your purchase price, less processing and handling. You are responsible for the cost of returning the product. You can locate your order number at www.customerstatus.com. You can call customer service at 973-287-5111 or email info@tvcustomerinfo.com for any additional questions. Pack the product carefully and include in the package a note with (1) your name, (2) mailing address, (3) phone number, (4) email address, (5) reason for return, and (6) proof of purchase or order number, and (7) specify on the note whether you are requesting a refund or replacement. Write the RMA on the outside of the package.

Send the product to the following return address:

Breathe Pure Pro Air Purifier
Tristar Products
500 Returns Road
Wallingford, CT 06495

If the replacement or refund request has not been acknowledged after two weeks, please contact Customer Service at 973-287-5111.

Refund

Refunds requested within the money-back guarantee timeframe will be issued to the payment method used at purchase if the item was purchased directly from Tristar. If the item was purchased from an authorized retailer, proof of purchase is required, and a check will be issued for the item and sales tax amount. Processing and handling fees are non-refundable.
